This wonderful apartment of 128m2 with attic of 20m2 and patio-terrace of 7m2 is located in one of the most emblematic and old streets of the Borne of Barcelona. It consists of 3 double bedrooms, 2 of which are suite ones, and a large living-dining room, which overlooks the street, thanks to the large windows, and the beautiful balcony that extends them.

The finishes of very high quality, respecting the Renaissance style of architecture of this 16th century palace, make this apartment an exceptional property.

The elegance and sobriety are the protagonists of this fantastic apartment in the heart of the bohemian and typical of the Borne neighborhood.
